

B1
CONCL. 30.

A description scheme related to a video comprising:

- (a) a single segment information description scheme where said single segment information description scheme locates a segment of said video;
and
- (b) said locates is based upon a time base of said video, a starting point of said segment with respect to said time base, and a duration of said segment in terms of time units.

REMARKS

The Examiner is respectfully requested to consider the new claims and to pass the application to issue.

Respectfully submitted,

Kevin L. Russell
